

Hello,

Throughout the year, we call upon sommeliers, wine educators and recognized wine experts to recommend Texas wines that we will feature at media events, consumer tastings, Twitter Tastings, etc. that promote Texas wine.

To select the wines we will feature for the next six months, we will host a Texas wine tasting in January with a group of sommeliers and recognized wine experts. If you are interested in having your wines tasted and considered for ongoing media and PR efforts, please see the instructions below.

Also, we welcome your suggestions for names of sommeliers, wine educators and other recognized wine experts to include in this January tasting.

Please supply the following information for your top wines (maximum of FOUR) that best represent your winery and the state of Texas. When selecting your wines, please consider that if your wine is selected, you could be asked to ship/supply wine for various media and industry events. Wines included must also have a Texas appellation.

PLEASE SEND TWO BOTTLES OF EACH SUBMITTED WINE TO THE FOLLOWING ADDRESS. ALL WINE MUST BE RECEIVED BY TUESDAY, JANUARY 11, 2010.
