Amcor Flexibles Europe and Americas, with 68 plants in 21 countries, is a market leader and the world's largest supplier of flexible packaging. We deliver innovative packaging solutions and provide enhanced quality products for food, beverage, pharma, personal care, medical and industrial markets. Its award winning approach toward sustainability makes Amcor Flexibles Europe and Americas the preferred partner for customers looking for responsible packaging solutions.

What sets Amcor Flexibles apart from the competition? Stelvin® Inside...a brand new range of four different liners for wine.
