### Products and Services:

- Insurance Services

For the past 70 years, AgWorkers has been providing an economical solution for the needs of people related to the agricultural industry.

They serve the hardworking people of agriculture and their families. When you join AgWorkers, you become part of a family that gives back to important agricultural youth communities such as 4-H and FFA, and receive award winning service.

**What sets AG Workers apart from the competition?** The policy owners truly own the company. For the last 70 years, we have paid back more than 250 million dollars in dividends. AgWorkers recently received three awards from ValChoice, which Forbes calls "Carfax for ...Insurance," for Best Claims Handling, Service and Overall Value.
