

2021 TEXAS WINE & GRAPE VIRTUAL CONFERENCE

Pesticide in the Vineyard Thursday, March 4, 2021

8 - 9:00 am

Pesticide in the Vineyard: Laws and Regulations

Federal law requires that a person who purchases or applies a restricted use pesticide must be certified and receive periodic pesticide safety training. This one-hour CEU session focuses on the laws and regulations related to the use of pesticides, labels and label comprehension.

1 hour CEU awarded for FULL participation

Presenter:

Dr. Renchie: Texas A&M AgriLife Extension Service Agricultural
and Environmental Safety Unit
