

September 3, 2020

The Board of the Texas Wine and Grape Growers Association would like to announce our whole hearted endorsement of State Representative Drew Springer in the upcoming Special Election for Senate District 30.

We believe Drew is uniquely qualified to represent the citizens of the Senate District. Drew has effectively represented the sprawling House District 68 and his election to Senate District 30 promises a “seamless” transition on behalf of its citizens.

There will be no learning curve needed. Drew will hit the ground running, continuing to fight for smaller more responsive government and to ensure the voices of Senate District 30 citizens will be heard.

We encourage everyone within the district to support Drew during the upcoming special election on September 29th.
