

38th Annual Lone Star International Wine Competition

CALL FOR ENTRIES

Texas Wine and Grape Growers Association (TWGGA) invites you to participate in our 38th Annual Lone Star International Wine Competition (LSIWC).

As the oldest International Wine Competition in Texas, judging is vis-a-vis a double-blind procedure by esteemed local and national experts with extensive wine credentials.

In 2020, the Lone Star International Wine Competition increased its entries over 20 percent, representing the growing Texas Wine industry as well as national expansion representing over 10 States.

For 2021, the LSIWC is initiating key changes to enhance the credibility and visibility of Texas' oldest International Wine Competition. Tasting and Label Competition changes include:

- Highly credentialed experts will be assigned as lead judges to each panel to enhance discussion and verification of overall scoring.
- Assignment of wine flights will be solely performed by credentialed experts.
