ACTION PACKS

**INDIVIDUAL AUSTIN OFFICE VISIT
AND MEETING WITH OFFICIAL**

INTRODUCTION

This series of TWGGA Member Action Packs is designed to engage TWGGA members in legislative advocacy on behalf of the wine and grape industry. Each member can choose as few or as many of the individual activities they would like to conduct to contribute to this overall industry effort. Members may select to host elected officials at their winery/vineyard, to raise funds for candidates or officials, to educate officials on industry needs, and/or to participate in our legislative day at the State Capitol in Austin.
